4. Program: Update on Wellness Policy – Linda Wright, Director of Food Services

Local Wellness Policy –[Linda Wright talked about the current policy and how the Executive Wellness Committee would start working on updating to include the current information required by USDA.](#)

[Examples of Assessments –an example of a School Wellness Assessment was shared with the group. This is another piece of USDA requirements that needs to be put in place. Input from PE teacher, Food Science teachers, Health teachers and others will be gathered in order to complete a Wellness Assessment for SISD.](#)

[Smart Snack in School –Linda Wright shared with the committee what USDA requires in the area of Smart Snacks. It was decided that the soft drink policy for Gr 9-12 students will stay as is with no soft drinks being offered in vending machines on grade 9-12 campuses. The group was in agreement on offering 6 exempt fundraisers to each campus. Current fundraiser forms will be adjusted to contain the information needed to submit to the Director of Food Services for approval.](#)
